

# Cumulative Corrections for Imray-Iolaire Charts

## Explanation

Edition and Printing dates are shown as follows: e.g. E1: Ed 8/99.

Corrections are only available for current editions. A list of current edition and printing dates is published each month on [www.imray.com](http://www.imray.com).

Bearings are true and from seaward.

## World Geodetic System 1984 (WGS 84)

New drawings of charts will in future be referenced to WGS 84 datum. Positions referred to in corrections, unless marked otherwise, also refer to WGS 84 and no offset is needed. Where offsets should be applied this will be indicated.
